Online chat schedule and registration information

Priority registration

Priority registration is a time designated by Suffolk University to allow students the opportunity to register for courses without making an initial deposit. Once the period is over, the Student Accounts/Bursar's Office will mail out tuition bills to students.

The Online Program has reserved 2 weeks prior to the University priority registration exclusively for online students to register for online courses.

What does this mean to you?

 - If you do not plan on registering for the course, please remove yourself from the waitlist so the next student on the list can be notified
