

Library Services

As an online student, you can use the following services at the Sawyer Library.

Access to off-campus database: You can access the library database archives remotely. To learn more on how to access off-campus database, [click here](#).

Ask a librarian: You can submit a question to a Suffolk librarian: <http://suffolk.libanswers.com/>

Just the Basics: Just the Basics" introduces searching, retrieving and evaluating the information you need for an assignment <https://www.suffolk.edu/sawlib/just-the-basics.html>

Library Blog: Keep informed with the library's blog page: <http://sawyerlib.blogspot.com/>

Library LibGuide: <http://suffolk.libguides.com/> The LibGuides are a collection of help and research guides put together by Suffolk Reference Librarians. The guides provide users targeted information on a specific subject. (Once you click on a subject link, it will open up the guide. Move through the tabs on the top header to browse through the information.)
