

# Home

Welcome to the Sawyer Business School Online (SBS Online) Knowledge Base.

## What is SBS Online?

The SBS Online knowledge Base is created in an effort to bring together all programs and departments that offer online courses or programs at the Sawyer Business School.

## What online programs or courses are offered at SBS?

The Sawyer Business School offers the following online:

Program/Dept		
Master of Business Administration	Fully Online Program	Can be completed fully online. A student is not required to come to campus.
Graduate Diploma in Professional Accounting	Fully Online Program	Can be completed fully online. A student is not required to come to campus.
Executive MBA	Hybrid/Blended courses	Offers hybrid/blended courses online. 80% is classroom instruction and 20% is done online
Undergrad	Online Courses	Offers online courses as an added flexibility for its campus students.
