

1.2.4 Occupants with Disabilities

Individuals with a disability who may need assistance during an evacuation or other emergency are encouraged to self-identify, and discuss with staff in advance who might assist them in leaving the building and/or who will inform emergency personnel of their presence, and where they are located, so that further assistance can be provided.

Specific protocols are detailed in section 1.2.4.1 for faculty/staff and 1.2.4.2 for students.
