

What can a team owner do?

Team owners can add and remove members. They have the ability to edit or delete a team, and to change the team picture. They can also

- Set team members' permissions for channels, tabs, and connectors.
- Control @[team name] mentions that will notify everyone on the team.
- Allow @[channel name] mentions, which will notify members who've favorited the channel.
- Allow usage of GIFs, stickers, and memes.
