**SUBSCRIPTION AGREEMENT - MICROSOFT DREAMSPARK STUDENT**

This is a subscription agreement ("agreement") between Microsoft Corporation (or based on where you live, one of its affiliates) and you for the Microsoft DreamSpark student offering ("Student Subscription"). Please read it. For purposes of this agreement the term "software" applies to the software provided to you under the Student Subscription, which includes the media on which you received it, if any.

- 1. DEFINITION OF YOU OR YOUR.** "You" or "your" means a person enrolled in and attending courses that lead to academic credit or certification through an educational institution.
- 2. TERMS FOR STUDENT SUBSCRIPTION.**
  - a. Student Subscription.** Subject to the terms of this agreement, the Student Subscription provides subscription to access software. Microsoft may change the software or other offerings that it makes available under the Student Subscription at any time without prior notice to you.
  - b. End of Student Status.** If you no longer qualify for the Student Subscription (by failing to meet the definition of "you" above), then your Student Subscription will terminate; however, you may continue to use the software you obtained prior to termination of your student status subject to the terms of this agreement.
  - c. Termination.** Microsoft may terminate the entire DreamSpark program or your specific Student Subscription at any time without prior notice to you for any reason or no reason.
- 3. STUDENT SUBSCRIPTION RIGHTS.**

## 11. Follow the steps below

## Get Your Software in 4 Easy Steps

1. Download the Secure Download Manager (SDM) installation file <sup>?</sup>

(If you have completed this step previously, go to step 3)

[Download SDM](#)

2. Locate the file from step 1 and run it to install the SDM <sup>?</sup>

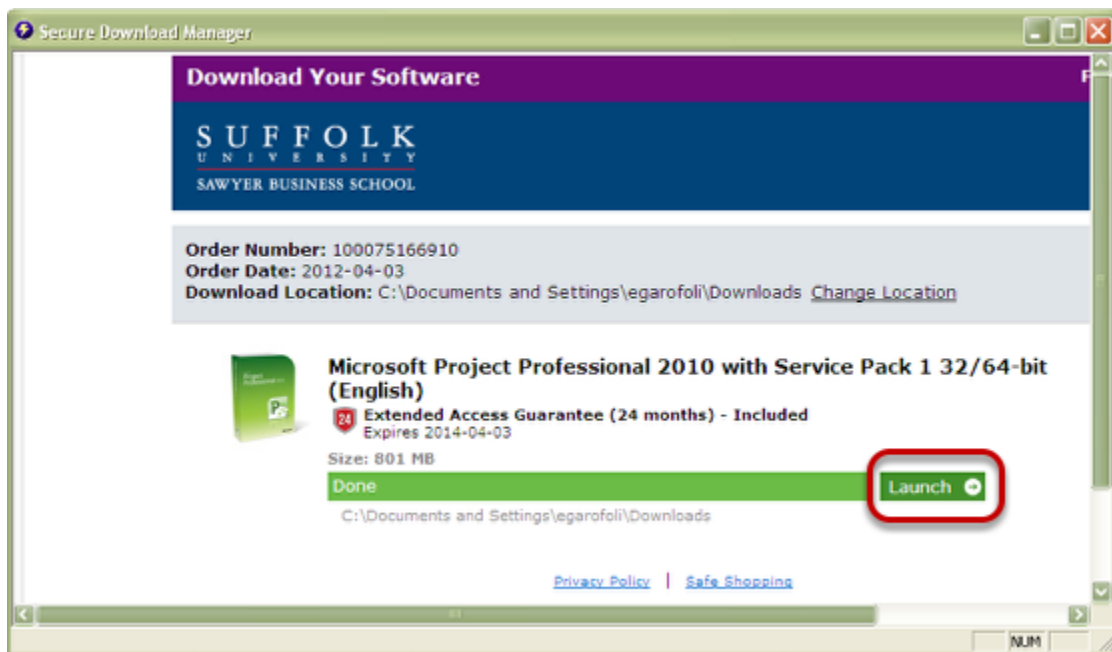

3. Download the .SDX file for your order <sup>?</sup>

[Download .SDX](#)

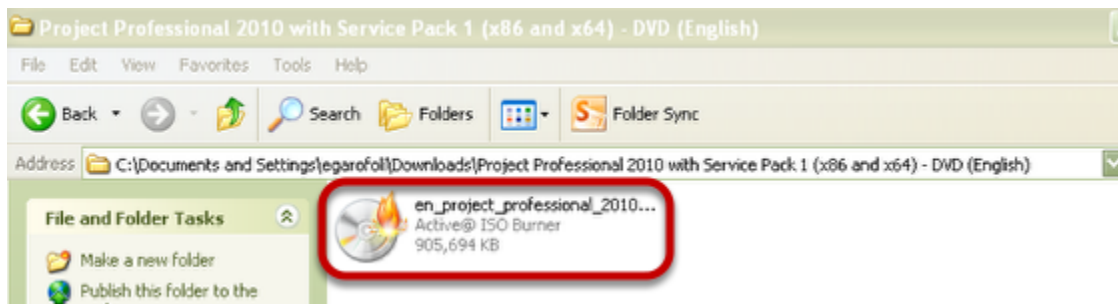

4. Locate the file from step 3 and open it to download your software order <sup>?</sup>

12. Click the Launch button

13. An .iso or .img will download

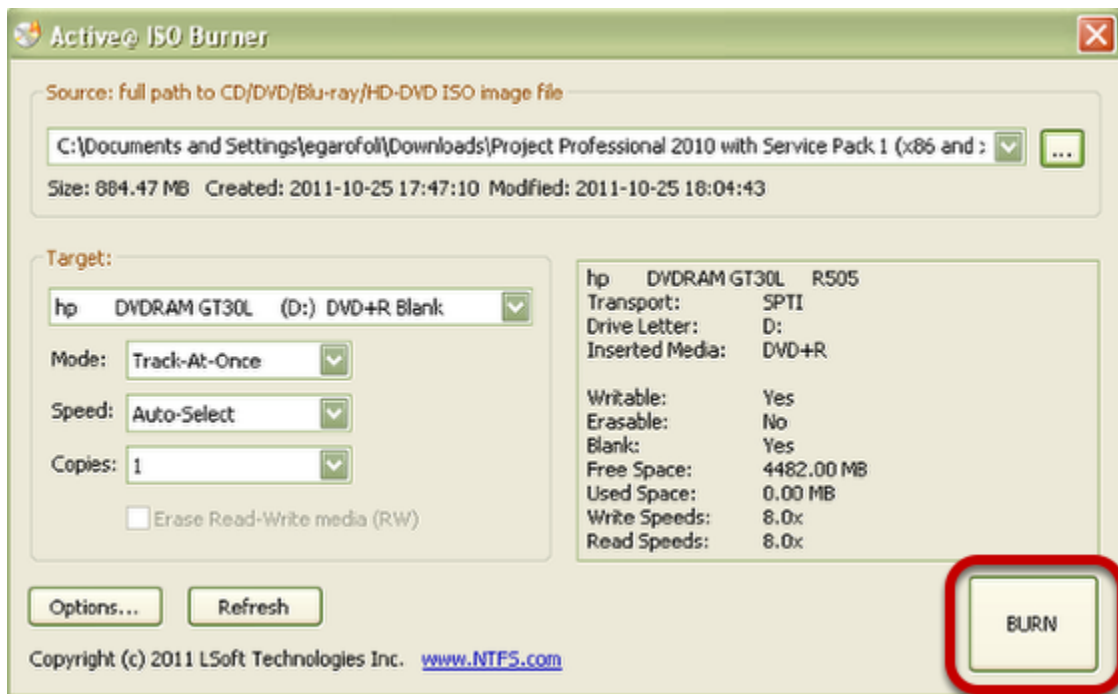

If you do not already have an application to burn files onto a DVD, you will need to download a freeware version. You can download Active@ISO Burner at <http://software.lsoft.net/IsoBurner-Setup.exe>. Click Save File, then open and install the application.  
**Note:** Files are frequently downloaded to C:\temp or your downloads folder.

## 14. Run your burner software

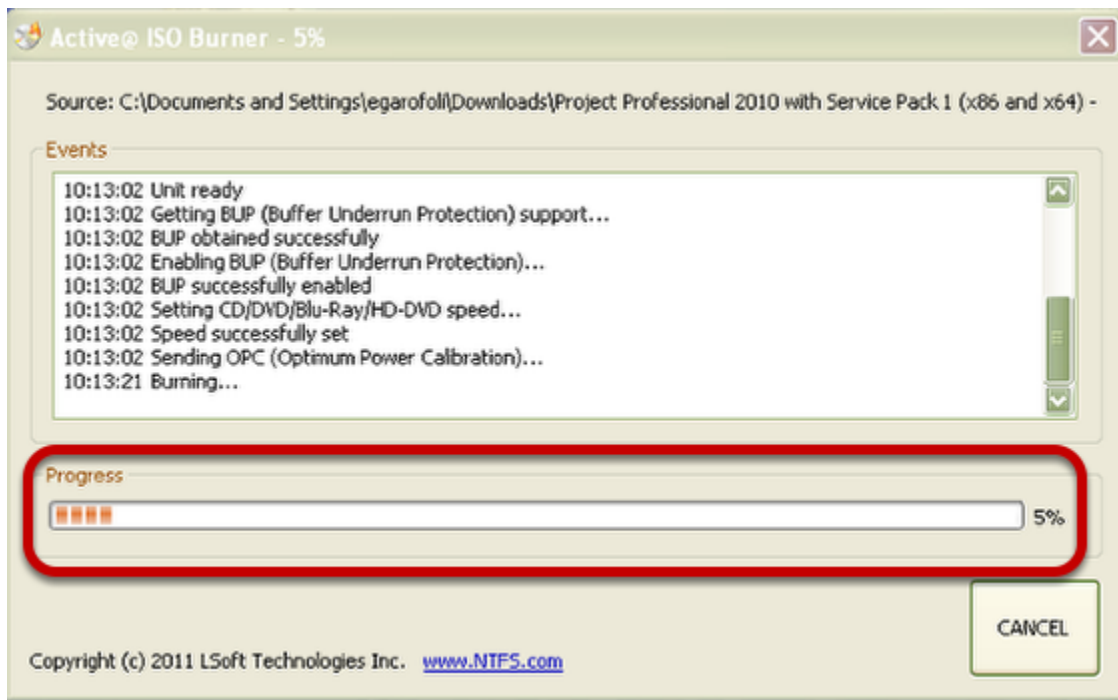

Click in the box circled in red to find and select the ISO or IMG file you downloaded. This example references the Active IsoBurner software.

## 15. Click Burn

Make sure you have the DVD in the drive.

## 16. Progress is displayed

## 17. When the disk is ejected, close the program

You now have a copy of the software and are ready to install it. Go to the lesson, **How do I install the software in the MSDNAA program?**
