

Adding a YouTube Video

YouTube videos are considered to be a kind of Blackboard content called a "Mashup". This lesson covers browsing and adding videos from the popular video hosting and sharing site, YouTube

1. Choose YouTube Video from the Build Content menu

2. Put in your Search Terms, Determine Your Criteria, then click Go

A screenshot of the search interface. It features a search box with the text 'Steve Jobs Bill Gates', a language dropdown menu set to 'English', and a 'Go' button. To the right of the search box is a dropdown menu for search criteria, which is currently open, showing options: 'All of the words', 'At least one of the words', 'Without the words', and 'Exact Phrase'. The 'All of the words' option is selected.

NOTE: Select English if you are only want videos in this language. It will narrow your search and make it quicker.

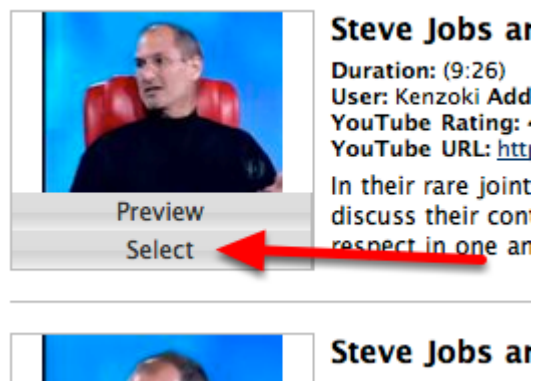

2. To Preview the Video, click Preview
